NC Bar Association Endorsed Disability Partnership

Dear NC Bar Association Member:

Lawyers Insurance and the NC Bar Association are proud to announce a partnership with Danny Mensh and Cannon Morgan of Mensh Insurance to promote endorsed disability programs in selected areas of the state. These gentlemen have the insurance expertise and experience with the professional community to assist lawyers to put in place state of the art disability coverage at discounted rates.

Mensh Insurance is also well-qualified to assist lawyers with their life and long term care insurance needs, and they can educate lawyers on the many other valuable endorsed programs offered through Lawyers Insurance, including the North Carolina Bar Association Health Benefit Trust.

Lawyers Insurance, a subsidiary of Lawyers Mutual, has been the endorsed provider of lawyers' insurance needs for over 20 years. Our goal is to provide endorsed insurance programs that add value to association membership, and our dedication to service is second to none. This partnership with Mensh Insurance will further our efforts to meet our mission.

Thank you for your trust in us and we look forward to serving your insurance needs.
